<https://www.indiamart.com/ganguliceramics/>

We are one of the leading manufacturers and suppliers of **enamel frits** .

**glaze frits**

**bonding frits**

**Inorganic Pigments**

and other ceramic raw materials.

## About Us

Ganguli Ceramics has a fully equipped manufacturing unit located at Palta, 24 Parganas (N), West Bengal, about 25 Kms from the heart of Calcutta and has been engaged in this business since the year 2000. Our principal production is still enamel frits and corrosion resistant frits for coating on metals, sheet steel, aluminum and the noble metals. It also manufactures glaze frits for pottery, sanitary ware and tiles, especially terra-cotta and earthenware glazes and also bond frits for crucibles and grinding wheels and many other types of glazes and pigments.

The management team consists of company executives of wide experience in the field of Ceramic Technology, along with a team of highly professional and experienced technical consultants with specialized expertise on various fields of the technology. We also employed Dealers & Distributors of our products across India and we are currently looking for same, We invite your participation.
